

MEMORANDUM

B&F

AGENDA ITEM NO. 3 (H)

TO: Honorable Chairperson Barbara Carey-Shuler, Ed.D.
and Members, Board of County Commissioners

DATE: January 15, 2004

FROM: George M. Burgess
County Manager

SUBJECT: Bid Award
Recommendations

RECOMMENDATION

It is recommended that the Board approve the attached contract award, competitive contract modifications and requests to advertise for bids. The allocations shown represent the maximum authorized spending authority based on an estimated value of purchases, and in no way guarantee the value of orders placed with the awarded vendors.

BACKGROUND

Section 1 AWARD OF COMPETITIVE BIDS

All contracts in this section are recommended for award to the lowest responsive, responsible bidder(s) who meet the bid specifications in accordance with established policies and procedures. Minority business measures are applied to the purchase of goods and services as determined by the County's Review Committee in accordance with the requirements of Administrative Orders 3-3, Black Business Enterprise Program; 3-17, Hispanic Business Enterprise Program; and 3-18, Women Business Enterprise Program. Bid announcements were advertised on the DPM website and in four local newspapers: Diario Las Americas, Haiti En Marche, Miami Times and Daily Business Review.

The following award is recommended:

Award of Item 1.1 (Industrial Electrical Services, Pre-qualification of Bidders) is to purchase electrical repair services for equipment 5(KV) kilovolts or higher such as circuit breakers, transformers and electrical switches.

Award of Item 1.2 (Model Year 2004 Vans, Various Sizes) to replace older vehicles and/or purchase additional ones.

Award of Item 1.3 (Model Year 2004 Pickup Trucks, Various Sizes) to replace older vehicles and/or purchase additional ones.

Award of Item 1.4 (Model Year 2004 Full Size Police Interceptor Sedans and Mid-Size Sedans) to replace older vehicles and/or purchase additional ones.

Award of Item 1.5 (Building Materials, Pre-qualification of Bidders) is to purchase building materials to include lumber, plywood, doors and hardware.

Award of Item 1.6 (Model Year 2004 Hybrid Vehicles) to purchase additional hybrid vehicles.

Section 2 REJECTED BIDS

None

COMPETITIVE CONTRACT MODIFICATIONS

A competitive contract modification is when the requested supplemental allocation for goods or services is within the scope of the original contract award and allocation.

Item 3.1 (Screening Personnel Services) is for additional spending authority and time to ensure availability of screening personnel services, until the new, replacement contract is awarded.

Section 4 PURCHASES MADE UNDER COMPETITIVELY AWARDED CONTRACTS OF OTHER GOVERNMENTAL ENTITIES

The County occasionally accesses items from contracts competed and awarded by federal, state and local governments, and by not-for-profit organizations, when it is determined to be in the best interest of the County and the item is not available through an existing County contract.

None

Section 5 REQUESTS TO ADVERTISE FOR BIDS

The solicitations listed in this Section require approval to advertise to solicit bids under full and open competition.

Item 5.1 (Chemical Feed and Disinfection Systems, Parts and Accessories, Pre-qualification of Bidders)

Item 5.2 (Employee Medical Assessment and Testing)

Item 5.3 (Trash and Garbage Containers)

Item 5.4 (Liquid Ferric Sulfate)

Review Committee
Recommendation: No measure due to insufficient availability.

Previous Measure: No measure

Advertisement Date: July 15, 2003

Living Wage:	Not applicable (the services to be provided are not a "covered service" under the ordinance).
Method of Award:	<p>Pre-qualification of bidders who meet the minimum requirements specified in the bid documents who will then form a pool and be invited to compete and quote a price on each work order on an as-needed, when-needed basis.</p> <p>When a work order is identified, the user department will solicit price quotations from all of the pre-qualified vendors.</p> <p>There is no guarantee that a pre-qualified firm will be awarded a purchase order.</p>
Vendor(s):	American Electric of Miami, Inc.; Benson Electric, Inc.; Callies Electric, Inc.; Dato Electric, Inc.; Edd Helms Group, Inc. d/b/a Edd Helms Electric; Powerserve Technologies, Inc.
Estimated Contract Usage:	One year: \$2,860,000.00
Previous Contract Usage:	One year and six months: \$3,385,416.00
Comments:	<p>Authorization is requested to award the contract in accordance with the terms and conditions contained in the solicitation document (ITB).</p> <p>The contract will provide industrial electrical repair services for electrical equipment located at the County's large industrial facilities that include plants, pumping stations and well fields.</p> <p>Due to an administrative oversight, the bid solicitation was not presented to the Board for approval to advertise. Since the actual award value exceeds \$1,000,000.00, approval to award the contract and approve retroactively the advertisement of the bid solicitation are now requested simultaneously. Inasmuch as this action is for prequalification of bidders and formation of a pool, price was not a determining factor. Prices are submitted by the firms when quotes are requested competitively for a particular work order on an as needed, when needed basis.</p>

Departments increased their allocation resulting in an increase in the estimated contract usage when compared to the previous contract. The previous contract covered one year and six months; this contract is for a one-year period.

Authorization is requested to add vendors to the pool who meet the minimum qualifications of the bid and the County's administrative requirements.

The bid was advertised on the DPM website and in four local newspapers: Diario Las Americas; Miami Times; Daily Business Review; and Haiti En Marche.

Method of Award:

Three low responsive, responsible bidders based on Total Practical Life Cycle Cost (PLCC) for each type of vehicle. The PLCC consists of the basic purchase price for each item together with the projected cost of fuel for the particular vehicle for a 75,000 mile life cycle. Subsequently, for each departmental purchase order, the low bidder will be determined by the combination of the base price plus the desired options.

Vendor(s):

Abraham Chevrolet-Miami, Inc. d/b/a Maroone Chevrolet of Miami; Blake Chevrolet Cadillac & Oldsmobile, Inc.; Freightliner Trucks of South Florida, Inc.; Garber Chevrolet, Inc.; Garber Ford Mercury, Inc.; Gus Machado Ford, Inc.; Hooley Family Management, Inc. d/b/a Plantation Ford; Maroone Dodge, LLC; Morse Operations, Inc. d/b/a Ed Morse Fleet Sales

Estimated Contract Usage:

One year: \$2,110,000.00

Previous Contract Usage:

One year: \$3,349,906.00

Comments:

Authorization is requested to award the contract in accordance with the terms and conditions contained in the solicitation document (ITB).

The attached sheet provides a GSA projection of anticipated vehicle utilization by County departments under this contract.

This contract includes seven specific equipment items. The new contract unit price is lower on four of the seven items than the previous contract price. No significant overall contract savings are claimed, however, as such value will vary heavily depending upon vehicle types and actual orders during the course of the new contract. It should be noted that the new contract includes the County's new UAP (2% "User Access Program") provision.

The decrease in contract value when compared to the previous contract is due to a reduction in the estimated amount of units that will be purchased.

The award to Morse Operations, Inc. d/b/a Ed Morse Fleet Sales is contingent upon meeting the County's administrative requirements.

The bid was advertised on the DPM website and in four local newspapers: Diario Las Americas; Miami Times; Daily Business Review; and Haiti En Marche.

Estimated Contract Usage: One year: \$3,942,000.00

Previous Contract Usage: One year: \$6,494,757.00

Comments:

Authorization is requested to award the contract in accordance with the terms and conditions contained in the solicitation document (ITB).

The attached sheet provides a GSA projection of anticipated vehicle utilization by County departments under this contract.

The BBE/HBE/WBE bid preference procedure was not a determining factor under this action. One certified minority vendor did respond, and is included among the awardees listed above. The evaluation factor did not change that vendor's award standing.

This contract includes fourteen line items, each being a specific vehicle type and/or configuration. Under this contract, the average lowest unit price across all 14 items is \$17,784.00. Under the previous contract, the average unit price across all 14 items was \$18,040.00. This year's unit pricing, therefore, averages \$256 below last year's prices. This equates to an estimated savings of \$36,864 based on GSA's estimated ordering quantity for the new year. It should be noted that the new contract includes the County's new UAP (2% "User Access Program") provision.

The unit prices for two of the fourteen items were slightly reduced as a result of application of the County's local preference "best and final bid" procedure.

The decrease in contract value when compared to the previous contract is due to a reduction in the estimated amount of units that will be purchased.

The awards to Alan Jay Chevrolet Oldsmobile Cadillac, Inc. and Morse Operations, Inc. d/b/a Ed Morse Fleet Sales are contingent upon meeting the County's administrative requirements.

The bid was advertised on the DPM website and in four local newspapers: Diario Las Americas; Miami Times; Daily Business Review; and Haiti En Marche.

Previous Contract Usage: One year: \$10,687,502.00

Comments: Authorization is requested to award the contract in accordance with the terms and conditions contained in the solicitation document (ITB).

The attached sheet provides a GSA projection of anticipated vehicle utilization by County departments under this contract.

Significant savings in the unit price were realized for the equipment the two items under this contract. The previous contract price for item 1 (mid-size police vehicle) was \$13,099. The equivalent price under the new contract is \$12,391. Since GSA estimated that 130 of Item No. 1 vehicles will be ordered, this equates to a potential savings of \$92, 040. The initial unit price for Item No. 2 (full size police interceptors) was roughly 2% higher than last year's price. Negotiations on that item resulted in a \$200 reduction from the original bid price. That action resulted in a potential savings of \$41,000 (205 units at \$200 reduction in the unit price). It should be noted that the new contract includes the County's new UAP (2% "User Access Program") provision.

The decrease in contract value when compared to the previous contract is due to a reduction in the estimated amount of units being purchased

Due to an administrative oversight, the bid solicitation was not presented to the Board for approval to advertise. Since the actual award value exceeds \$1,000,000.00, approval to award the contract and approve retroactively the advertisement of the bid solicitation are now requested simultaneously. Inasmuch as this action is for prequalification of bidders and formation of a pool, price was not a determining factor. Prices are submitted by the firms when quotes are requested competitively for a particular work order on an as needed, when needed basis.

The fact that the prices of building material has increased in the past year and departments anticipate greater usage of these materials have contributed to the increase in the estimated contract usage when compared to the previous contract. The previous contract covered one year and nine months; this contract is for a one-year period.

Award to four of the five firms that submitted a bid namely, Best Specialty, Inc.; Deco Truss Co. Inc., Georgia Pacific Corp; and The Home Depot, is contingent upon compliance with the County's administrative requirements.

Authorization is requested to add vendors to the pool who meet the minimum qualifications of the bid and the County's administrative requirements. We have already received requests from five additional firms to be added to the pool.

--------------------	--------	--------	--------

Vendor(s): 50 State Security Service, Inc.

Type of Change: Increase in spending authority and time

Original Allocation: \$3,540,000.00 commencing January 1, 1999 for a one-year period with three one-year options to renew.

Existing Allocation: \$5,193,270.00 (for the third, three-year option to renew).

Increase By: \$2,077,308.00

Modified Allocation: \$7,270,578.00

Current Expiration: March 31, 2004

Modified Expiration: September 30, 2004

Reason for Change: Authorization is necessary for additional spending authority and time to provide continuity of services pending the consolidation and new competition and award of both this screening personnel services contract and the County's contract for security guard services.

GSA wishes to combine the two contracts for greater efficiencies and savings.

At present, however, the Board's Resolution No. R-313-01 authorizes the deferral of the new competition for security guard services, and the extension of the existing contract for said services, pending the conclusion of two still unresolved lawsuits in federal court concerning the County's minority (H/B/W) business legislation.

Modified Expiration: The existing security guard services contract was recently funded by the Board through September 30, 2004.

RESOLUTION NO. R-1332-00 PERTAINING TO
RE-ADVERTISEMENT OF BID 07541- 4/04.**

WHEREAS, 50 State Security Service, Inc. and Vanguard Security, Inc. have filed a case in the U.S. District Court for the Southern District of Florida (50 State Security Service, Inc. et al. v. Metropolitan Dade County, U.S. District Ct. Case no. 01-0268-CTV-JORDAN) challenging the County's ability to apply certain contract measures to contracts for security guard services; and

WHEREAS, 50 State and Vanguard have filed a motion for preliminary injunction in such case to enjoin the re-bid of Bid 0741- 4/04; and

WHEREAS, these Plaintiffs have offered to withdraw their motion for preliminary injunction in return for the County deferring the re-bid of Bid 0741- 4/04 and further extending the current contracts for security guard services until such time as the federal court rules in the pending case against the County involving architects and engineers,

**NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY
COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board authorizes
further extension of the current contracts for security guard services in accordance herewith and
supersedes Resolution No. R-1332-00.**
